AFRICAN UNION STRATEGY ON THE CONTROL OF ILLICIT PROLIFERATION, CIRCULATION AND TRAFFICKING OF SMALL ARMS AND LIGHT WEAPONS

*Adopted by the Meeting of Member States Experts,
26-29 September 2011, Lome, Togo*

Preamble

We, the Executive Council of the African Union;

Bearing in mind the Principles enshrined in the Constitutive Act of the African Union; and the Protocol establishing Peace and Security Council,

Reiterating our commitment to observe international law and the principles enshrined in the Charter of the United Nations

Recalling the “Bamako Declaration on an African Common Position on the Illicit Proliferation, Circulation and Trafficking of Small Arms and Light Weapons” (2000),

Reaffirming our commitments to implement the United Nations Programme of Action to Prevent, Combat and Eradicate the Illicit Trade in Small Arms and Light Weapons in All Its Aspects, adopted in New York in July 2001,

Taking note of the substantial developments in the fight against proliferation of illicit SALW in Africa through signing, ratifying and implementing legally binding protocols or conventions at the regional level, such as, the SADC Protocol on The Control of Firearms, Ammunition and Other Related Materials, 2001; the Nairobi Protocol on the Control, Prevention and Reduction of Small Arms and Light Weapons in the Great Lakes Region, the Horn of Africa and Bordering States, 2004; the Economic Community of West African States (ECOWAS) Convention on Small Arms and Light Weapons, their Ammunitions and Other Related Materials, 2006; and the Central Africa Convention for the Control of SALW, their Ammunition and Parts and Components that can be used for their Manufacture, Repair or Assembly, 2010;

Concerned that the illicit proliferation, circulation and trafficking of small arms and light weapons, as a global problem closely tied to terrorism and other forms of armed violence, the worldwide drug problem, trans-national organized crime, mercenary activities,, the rise in social violence, promotion of corruption and other criminal behaviour constitute threats to peace, development, stability and post conflict reconstruction,

Aware that the problem of the illicit proliferation, circulation and trafficking of small arms and light weapons can only be resolved holistically and in an integrated manner through improving cooperation and coordination and by reinforcing the capacity to regulate compliance with all aspects of the problem as expressed in existing international and regional instruments,

Bearing in mind the different situations, capacities and priorities regarding SALW in each region in Africa,

Taking into account the African Union Commission’s decision in 2008 to create an ad hoc AU-Regions Steering Committee on Small Arms and Light Weapons (**hereinafter AU SALW Committee**) to enhance the capacity and harmonize and coordinate the efforts of the AU, the

RECs and Regional Bodies with a SALW mandate to implement their programmes and enhance cooperation and synergy across the regions in the implementation of agreed actions,

Hereby adopt the African Union Strategy on the Control of Illicit Proliferation, Circulation and Trafficking of Small Arms and Light Weapons to strengthen coordination and cooperation between and among all implementing regional bodies with the objective of improving implementation at national, regional and continental levels.
